RE: Settlement agreement in *U.S. v. Microsoft*

Dear Ms Hesse:

Please include my sentiments in the public commentary as a supporter of the settlement agreement. The sooner this case ends, the sooner all parties involved can move on to other matters.

From what I have been able to learn, the settlement ought to be in the final chapter in this case; it has taken four years to reach this point. I understand that the issues which were deemed important by the court have been satisfied in this settlement. I believe the Department of Justice made a wise decision to close the book on this issue after an exhausting effort to examine all pertinent issues.

Thank you for including my remarks on this commentary.

Sincerely,

KAREN L. CREW
